### BAN ON PLASTIC IN AITH CAMPUS

As plastic waste has emerged as one of the biggest environmental concern adversely impacting the soil, water, health and well being of citizens at larg.

As government has decided to take plastic ban as a national level campaign to address the environmental hazards being and bring attitudinal changes that shun use of plastics and as the educational institutions have the unique spread and influence to educate the students and households on the need for avoiding usage of plastics.

These are the steps we are following to make AITS-HYD plastic free campus.

- We ban the use of single-use plastics in canteens in our institutions premises.
- Mandate all students to avoid bringing non-bio-degradable plastic items to the institution.
- Encourage the students to sensitize their respective campus about harmful effects of plastics and make their campus plastic free.

Institute will make all necessary efforts to involve the student's faculty and staff in **"BAN ON PLASTIC"**.

## GREEN CAMPUS INITIATIVE POLICY

An inexperienced field is wherever natural cordial practices and proposals have created to advance rectifiable and eco-accommodating practices within the grounds. The inexperienced ground plan offers a corporation to own an opportunity to steer the pack in reclassifying its natural culture and growing new realistic models by creating sensible answers for ecological, social and financial desires of the humanity.

- Cleanliness in and around the campus and waste minimization
- Water conservation and management including rainwater harvesting, etc
- Using energy efficient light bulbs.
- Planting trees for preserving environment in campus
- Complete ban on polythene at campus
- Digital library
- Institute community Garden
- College Automation Package

Greening the bottom is close to clearing endlessly inefficient wasteful aspects and utilizing ancient wellsprings of energies for its day by day power desires, right removal handling, acquisition of conditioned well disposed provides and compelling reusing program. Institution must calculate the time sure techniques actualize inexperienced grounds activities. These techniques ought to be consolidated into the institutional composing and coming up with forms with the purpose of build up a clean what is a lot of, inexperienced grounds.
