to avoid use of plastic.

A rally was taken out from Piglipur by calling upon residents to keep surroundings clean and not to use plastics to save the society. During the rally, slogans "Say no to plastic",

"Ek kadam Swachhataki Ore" and "clean India beautiful India were raised. The participants of the rally urged the colony residents to ban plastic use in their houses and making people aware of the importance of cleanliness. Residents were explained about the hazards due to the use of plastic bags. They also urged to grow trees and take measures to protect environment. AITS NSS Students, volunteers and social workers Participated in the rally. Around 100 AITS NSS students were present and they acknowledged the event.

In the end, students pledged to shun plastic and initiate the change they wish to see in the society for a safer environment.

the, NSS Coordinator who also explained the basic need of cleanliness in our society and to avoid use of plastic. A rally was taken out from Piglipur by calling upon residents to keep surroundings clean and not to use plastics to save the society. During the rally, slogans "Say no to plastic", "Ek kadam Swachhataki Ore" and "clean India beautiful India were raised. The participants of the rally urged the colony residents to ban plastic use in their houses and making people aware of the importance of cleanliness. Residents were explained about the hazards due to the use of plastic bags. They also urged to grow trees and take measures to protect environment. AITS NSS Students, volunteers and social workers Participated in the rally. Around 100 AITS NSS students were present and they acknowledged the event. In the end, students pledged to shun plastic and initiate the change they wish to see in the society for a safer environment.

Description	<p>Under Unnat Bharath Abhiyan, AITSH has actively participating in the developmental activities at Batasingaram on 18-07-2019. Students observed some of the problems which are being faced by the villagers in their survey. Due to improper drainage system, mosquitoes bred and caused many health problems. Sometimes they become fatal also. Dengue, Malaria, Chikangunia and (elephantiasis) filariasis are some of the dreaded diseases caused by mosquitoes. Unfortunately, due to human negligence or lack of awareness.</p> <p>Volunteers has visited the Batasingaram village and conducted awareness campaigns. Some of them conducted door to door campaign on hygiene, in and around their homes. As our</p>

children are future nation builders, school level campaigns were also conducted. Students volunteers explained the importance of keeping surroundings clean and tidy. In this aspect, volunteers conducted Swacch Bharath along with elders and school children. Everyone knew that proper foundation has to be laid in the early schooling of the child in pre-primary level itself.

The house hold survey all the faculty members/ Participants in the program by respected Principal Dr. P.V.Krishna Murthy and Dr. Sunder kumar.

Description	Social Entrepreneurship programme started at College Seminar Hall. Chief Program Coordinator, MGNCRE R. Ramesh initiated his talk with details about economic progress of India in the fields of information technology, infrastructure and services. He said that the primary sector (Agriculture, Forestry and Fisheries) that accounts for over 68% of the population has been lagging behind with an average annual growth of 4% per annum or less that generates lot of disparity between rural and

urban livelihoods. He insisted that, there is an urgent need to accelerate the diversification of rural livelihoods so that rural communities have adequate means and opportunities which are viable and sustainable. He suggested that Rural Entrepreneurship can address this issue and generate self-employment through pooling of community resources. The economic, social and educational status of rural India demands skill development for motivating rural people to join business activities along with their routine agricultural activities not only to support agricultural work but to generate additional income for better livelihood, he added. He explained how to use business as a tool for social entrepreneurship. He illustrated few creative ideas meant for college students on social entrepreneurship by starting small business such as renting out books, taking tuition class, starting a community YouTube channel, wholesale to retail selling, and so on. He highlighted outcome of such entrepreneurship programs in terms of employment and livelihood of women. He ended his lecture by explaining the protocols to enrol their creative ideas in the upcoming Social Entrepreneurship competition conducted by MGNCRE. Program ended with the Vote of Thanks given by Dr. P.V.Krishna Murthy NSS Coordinator Dr. Sunder kumar.

explained the importance of health and hygiene in form of a lecture. The program was further preceded by the NSS Coordinator who also explained the basic need of cleanliness in our society and to avoid use of plastic.

A rally was taken out from Piglipur by calling upon residents to keep surroundings clean and not to use plastics to save the society. During the rally, slogans "Say no to plastic",

"Ek kadam Swachhataki Ore" and "clean India beautiful India were raised. The participants of the rally urged the colony residents to ban plastic use in their houses and making people aware of the importance of cleanliness.

Residents were explained about the hazards due to the use of plastic bags. They also urged to grow trees and take measures to protect environment. AITS NSS Students, volunteers and social workers Participated in the rally. Around 100 AITS NSS students were present and they acknowledged the event.

In the end, students pledged to shun plastic and initiate the change they wish to see in the society for a safer environment.
