ANNAMACHARYA INSTITUTE OF TECHNOLOGY & SCIENCES, established in the year 2005. The Institute is affiliated to JNTUH and Approved by AICTE. The college constitutes of five engineering departments ECE, FEE, CSE, CE, AND ME, ANNAMACHARYA INSTITUTE OF TECHNOLOGY & SCIENCES Faculty has expertise in various research areas of interest to meet the industry requirement. The institute, through departmental research groups, encourages the faculty to undertake R&D and consultancy work. The faculty contributes towards the industrial growth, strengthen institute-industry interaction, and enrich their professional experience. The Research and Development wing acts as a liaison between the institute and industry to undertake R&D and consultancy projects with specific problems. Broadly, the following types of consultancy services are being offered by engineering departments of the college.

- Analytical studies
- Cause-and-remedy studies
- Design of systems/components/processes
- Development of industrial products/systems
- Development of systems software/application software for offline/online applications.
- Testing of industrial products/samples / Proto types
- Validation of designs/drawings
- Consultancy work of R & D Requirements.

Information to clients:

Anybody from Industry/External Agency can contact the Institute to solve problems related to construct models in Electrical and Electronics Engineering. The EEE faculty can handle such external requests of the industry/agency that can come under the term consultancy work. We are pleased to inform you for selecting us for consultancy work and we are ready to accept your request subject to the approval by our institute management. We request you to visit our campus for further discussions.

Thanking you.

Dear sir,

Conscience Technologies pvt.ltd deals with combined chemistry, physics advanced mathematics, statistics, geology, and engineering science. They design and construct structure .our company plays a major role of power distribution equipment supplies and services. Therefore the company is inserted for long lasting technical collaborations . With organizing and institution for generating awareness and promoting technologies through R & D and or consultancy work.

In the process , we need the assistance from your faculty experts from our industry in the form of consultancy work. please extend technical expertise accordingly
Waiting for your reply.

ANNAMACHARYA INSTITUTE OF TECHNOLOGY & SCIENCES, established in the year 2005. The Institute is affiliated to JNTUH and Approved by AICTE. The college constitutes of five engineering departments ECE, EEE, CSE, CE, AND ME, ANNAMACHARYA INSTITUTE OF TECHNOLOGY & SCIENCES Faculty has expertise in various research areas of interest to meet the industry requirement. The institute, through departmental research groups, encourages the faculty to undertake R&D and consultancy work. The faculty contributes towards the industrial growth, strengthen institute-industry interaction, and enrich their professional experience. The Research and Development wing acts as a liaison between the institute and industry to undertake R&D and consultancy projects with specific problems. Broadly, the following types of consultancy services are being offered by engineering departments of the college.

- Analytical studies
- Cause-and-remedy studies
- Design of systems/components/processes
- Development of industrial products/systems
- Development of systems software/application software for offline/online applications.
- Testing of industrial products/samples / Proto types
- Validation of designs/drawings
- Consultancy work of R & D Requirements.

Information to clients:

Anybody from Industry/External Agency can contact the Institute to solve problems related to construct models in Electrical and Electronics Engineering. The EEE faculty can handle such external requests of the industry/agency that can come under the term consultancy work. We are pleased to inform you for selecting us for consultancy work and we are ready to accept your request subject to the approval by our institute management. We request you to visit our campus for further discussions.

Thanking you.

Sub: Acceptance and Granting of Research Project – reg

Sir/madam,

With reference to your interest and MOM held between us on 25/07/2022, we are pleased to accept and grant the project for its development in your esteemed organization as per details given below :

1	Title Of The Project	Design and soft switching in micro grids
2	Name Of The Principal Investigator	Dr U Narender
3	Name Of The Principal Co- Investigator	M.Laliya
4	Department	EEE
5	Duration Of The Project	2-years
6	Amount	Rs:2,86,000/-
7	Year Of Grant The Project	2022-2024

The general instruction to be followed:

PRINCIPAL
Annamacharya Institute of
Technology & Sciences
Fogipur (V), Balasragaram (P.O.)
Andulapumet (M), R.R. Dist. HYD.

1. This sanction is valid for a period as mentioned above duration, this comes into effect from the date of receiving this sanction letter. The institute cannot withdraw in the middle of the development of the project. However, the institute can withdraw from the project by giving a written notice of three months in advance, subject to fulfillment of prior obligations otherwise surviving.

2. The mode of the payment of the amount agreed upon in MOM shall be in the form of cash/cheque/DD.

Submission of Documents by Institute.

1. Source code
2. User manual
3. Research project report.
4. Knowledge transfer of the project.

ANNAMACHARYA INSTITUTE OF TECHNOLOGY & SCIENCES, established in the year 2005. The Institute is affiliated to JNTUH and Approved by AICTE. The college constitutes of five engineering departments ECE, EEE, CSE, CE, AND ME, ANNAMACHARYA INSTITUTE OF TECHNOLOGY & SCIENCES Faculty has expertise in various research areas of interest to meet the industry requirement. The institute, through departmental research groups, encourages the faculty to undertake R&D and consultancy work. The faculty contributes towards the industrial growth, strengthen institute-industry interaction, and enrich their professional experience. The Research and Development wing acts as a liaison between the institute and industry to undertake R&D and consultancy projects with specific problems. Broadly, the following types of consultancy services are being offered by engineering departments of the college.

- Analytical studies
- Cause-and-remedy studies
- Design of systems/components/processes
- Development of industrial products/systems
- Development of systems software/application software for offline/online applications.
- Testing of industrial products/samples / Proto types
- Validation of designs/drawings
- Consultancy work of R&D Requirements.

Information to clients:

Anybody from Industry/External Agency can contact the Institute to solve problems related to construct models in ECE Engineering, technology, and science. The ECE faculty can handle such external requests of the industry/agency that can come under the term consultancy work. We are pleased to inform you for selecting us for consultancy work and we are ready to accept your request subject to the approval by our institute management. We request you to visit our campus for further discussions.

Thanking you.

Sub: Acceptance and Granting of Research Project – Reg

Sir/madam,

With reference to your interest and MOM held between us on 25/07/2022 , we are pleased to accept and grant the project for its development in your steemed organization as per details given below:

1	Title Of The Project	planning analysis and design of 5+ G multy store building using sap-2000
2	Name Of The Principal Investigator	CH.Tilak
3	Name Of The Principal Co- Investigator	Y.Varun kumar
4	Department	CIVIL
5	Duration Of The Project	2-years
6	Amount	Rs.2,65,000/-
7	Year Of Grant The Project	2019-2021

The general instruction to be followed:

PRINCIPAL
Annamacharya Institute of
Technology & Sciences
Pigloor (V), Galasingaram (M),
Abdulkoumet (M), R.R. Dist. H

1. This sanction is valid for a period as mentioned above duration, this comes into effect from the date of receiving this sanction letter. The institute cannot withdraw in the middle of the development of the project. However, the institute can withdraw from the project by giving a written notice of three months in advance, subject to fulfillment of prior obligations otherwise surviving.
2. The mode of the payment of the amount agreed upon in MOM shall be in the form of cash/cheque/DD.

Submission of Documents by Institute.

1. Source code
2. User manual
3. Research project report.
4. Knowledge transfer of the project.

ANNAMACHARYA INSTITUTE OF TECHNOLOGY & SCIENCES, established in the year 2005. The Institute is affiliated to JNTUH and Approved by AICTE. The college constitutes of five engineering departments ECE, EEE, CSE, CE, AND ME, ANNAMACHARYA INSTITUTE OF TECHNOLOGY & SCIENCES Faculty has expertise in various research areas of interest to meet the industry requirement. The institute, through departmental research groups, encourages the faculty to undertake R&D and consultancy work. The faculty contributes towards the industrial growth, strengthen institute-industry interaction, and enrich their professional experience. The Research and Development wing acts as a liaison between the institute and industry to undertake R&D and consultancy projects with specific problems. Broadly, the following types of consultancy services are being offered by engineering departments of the college:

- Analytical studies
- Cause-and-remedy studies
- Design of systems/components/processes
- Development of industrial products/systems
- Development of systems software/application software for offline/online applications.
- Testing of industrial products/samples / Proto types
- Validation of designs/drawings
- Consultancy work of R&D Requirements.

Information to clients:

Anybody from Industry/External Agency can contact the Institute to solve problems related to construct models in Electrical and Electronics Engineering. The EEE faculty can handle such external requests of the industry/agency that can come under the term consultancy work. We are pleased to inform you for selecting us for consultancy work and we are ready to accept your request subject to the approval by our institute management. We request you to visit our campus for further discussions.

Thanking you.

Dear sir,

Parmy Technologies pvt.ltd deals with combined chemistry, physics advanced mathematics, statistics, geology, and engineering science. They design and construct structure .our company plays a major role of power distribution equipment supplies and services. Therefore the company is inserted for long lasting technical collaborations . With organizing and institution for generating awareness and promoting technologies through R & D and or consultancy work. Please extend your technical expertise accordingly.

In the process , we need the assistance from your faculty experts from our industry in the form of consultancy work. please extend technical expertise accordingly
Waiting for your reply.

ANNAMACHARYA INSTITUTE OF TECHNOLOGY & SCIENCES, established in the year 2005. The Institute is affiliated to JNTUH and Approved by AICTE. The college constitutes of five engineering departments ECE, EEE, CSE, CE, AND ME. ANNAMACHARYA INSTITUTE OF TECHNOLOGY & SCIENCES Faculty has expertise in various research areas of interest to meet the industry requirement. The institute, through departmental research groups, encourages the faculty to undertake R&D and consultancy work. The faculty contributes towards the industrial growth, strengthen institute-industry interaction, and enrich their professional experience. The Research and Development wing acts as a liaison between the institute and industry to undertake R&D and consultancy projects with specific problems. Broadly, the following types of consultancy services are being offered by engineering departments of the college.

- Analytical studies
- Cause-and-remedy studies
- Design of systems/components/processes
- Development of industrial products/systems
- Development of systems software/application software for offline/online applications.
- Testing of industrial products/samples / Proto types
- Validation of designs/drawings
- Consultancy work of R&D Requirements.

Information to clients:

Anybody from Industry/External Agency can contact the Institute to solve problems related to construct models in CIVIL Engineering, technology, and science. The CIVIL faculty can handle such external requests of the industry/agency that can come under the term consultancy work. We are pleased to inform you for selecting us for consultancy work and we are ready to accept your request subject to the approval by our institute management. We request you to visit our campus for further discussions.

Thanking you.
