TELANGANA ACADEMY FOR SKILL AND KNOWLEDGE

(Department of ITE & C, Government of Telangana)

19-06-2019
Hyderabad

Dear Dr.P.V.Krishnamurthy garu, Annamacharya Institute of Technology and Sciences

You've been a valuable member of the TASK family. We are glad that you chose to continue your association with us by renewing your membership. Together, we represent a community that is dedicated to making a positive difference to the quality of higher education in our state.

With the cooperation and support of esteemed members like you, TASK was able to achieve several milestones in the academic year 2018-19. We successfully skilled 45,302 students and 1145 faculty, in addition to organising over 250 placement drives and offering several internship opportunities.

We also launched new initiatives such as the Vaccine Skill Development program for life sciences students, IT MOOCs for polytechnic and degree students, drones workshop and Archibus training for the students of engineering, architecture and planning courses, and MasterStroke entrepreneurship talks for all registered students, to name a few.

New MoUs were signed with Safran Electrical & Power India Pvt. Ltd, GMR Aviation Academy, CYIENT, NSIC-TSC, Smart Infra-EST for core Engineering students, ServiceNow and AWS. We were chosen by CISCO as its Academic Support Centre and were also selected as a centre for Cambridge English Assessment.

Overall, it was a good year for all of us. This year, we have set more ambitious goals aimed at providing better skilling benefits for the students and faculty of the TASK family. The focus is on extending our spectrum of skill offerings to other core branches of engineering. We will keep you updated with the latest offerings we have for you.

We thank you for believing in the cause of empowering the youth of Telangana and continuing to work with us. We are working very hard to continue earning your trust and I personally look forward to serving you to the best of our capacity.

Yours sincerely

Shrikant Sinha

The 3rd year students to be trained shall be pre-selected by Hexaware (hereinafter referred to as the 'Pre-selected Students') as per Hexaware's selection process and a Letter of Intent (LOI) will be given to the pre-selected students which will specify the conditions to be complied with in order to join the organization.
- c. The pre-selection is primarily for the Graduate Engineer Trainee (GET) category. Top performing students from the training program who qualify may be selected as Premier Graduate Engineer Trainees (PGETs), subject to company policy. Hexaware will have the final call based on the individual performance in this regard. All final selections for offer will be subject to selection in the final Hexaware recruitment process.
- d. Hexaware will provide the College with Training curriculum, connect with Hexaware's training partners for learning contents and assessments, industry-Academia exposure and support events to uplift the capability of the pre-selected students. The College shall use the materials, procure at its own cost necessary software and access to Hexaware partner's Portal and program manage these efforts under the guidance of designated representative of Hexaware and exclusively for the purpose specified under this MOU.
- e. The College shall nominate two or three faculty members for undergoing the Trainer Certification Program by Hexaware. The faculty, after completion of certification, will be allowed to train certain number of students as agreed upon by the parties in writing from time to time.
- f. The College shall establish a Center of Excellence (CoE) under the guidance of Hexaware with the specified infrastructure requirements of Hexaware and shall use the CoE for imparting the CoE specific course/training. This CoE shall be exclusive to the use of the purpose stated under this MOU and will not be used for running other courses of the College or other Organizations.
- g. Refer Annexure -1: Campus Connect Collaboration Plan is a list of recommended programs by Hexaware which aims to make the selected candidates Industry ready. Hexaware recommended programs will be implemented for the Pre-Selected candidates.

- h. The Pre-Selected students in their 6th Semester, will have to complete the Foundation course consisting of both Soft skills and Technical Skills. On successful completion of the Foundation course, they will undergo a specialized training under the Centers of Excellence identified by Hexaware for the College and obtain their certification in their 7th Semester.
- i. The course will be imparted for the duration specified by the Hexaware as an additional training program. This program will be run during the 3rd year of the graduation course being offered by the College for the Pre-selected students.
- j. The College shall not charge the Pre-selected students any fee for this course. If it is found that the College has charged fees for this program from students, Hexaware shall have the rights to terminate this MOU and/or pursue other remedies available under the law, against the College.
- k. The College shall not train any students other than the Hexaware Pre-selected Students using the know-how and resources made available by Hexaware and its partners under this Agreement. The College shall ensure and commit that all students pre-selected by Hexaware and undergoing the programs under this MOU, shall not sit through the Campus Selection process of any other company. Any of the Pre-selected Students who is not made an offer by Hexaware in the final selection is free to apply to any other company.
- l. Hexaware shall have the discretion to make employment offers to any of the Preselected Students upon successful selection in Hexaware's recruitment process subject to completion of their graduation. Hexaware shall not be under obligation under this MOU to recruit any fixed number of Pre-selected students.
- m. The program involves substantial efforts and investment and continuous engagement from Hexaware with the intent to develop and hire substantial numbers from the College. The College shall therefore take all necessary steps to ensure that at least 90% of the pre-selected students join Hexaware after successful completion of the training. A drop in the joining percentage below the expected level will seriously jeopardize Hexaware's interests and may be a material reason to not continue the engagement in the following years.
- n. Pre-selected Students who undergo this program in their 3rd Year, after completing the Hexaware Training Program, may be given an internship opportunity in their 8th Semester (4th Year) by Hexaware either in its premises or through the Hexaware Lab which will be setup in the College for administering Internships remotely by Hexaware.

2. This MoU is subject to the College earmarking 100+ students for placement in Hexaware exclusively and meeting the qualification and past performance criteria defined by Hexaware (Ranking in either of the following: NIRF, Career 360, NBA & NAAC (A))
3. The MOU shall be valid for three years from the date of execution. Hexaware shall have the right to terminate this MOU in the event of breach of material obligations including confidentiality obligations by the Partner, by giving a notice of fifteen (15) days, provided that the breach is not remedied by the College within such period.
4. The Parties herein have agreed to perform various obligations for the purpose outlined in the MOU earlier and there is no monetary obligation/consideration involved herein between the Parties. The College shall bear all expenses towards providing infrastructure, network and internet access, other facilities required for the education and training and such other expenses incurred in performing its obligations under this MOU. Hexaware shall likewise bear the cost of its portion of obligations under this MOU.
5. The Parties shall take reasonable steps to ensure the successful performance of the obligations agreed including setting up of a Joint Governing Council consisting of the Dean and Heads of Departments of the College and Subject Matter Experts and a Program Director from Hexaware both to monitor/audit the Program on a quarterly basis and cooperate with each other to duly performing the obligations agreed upon.
6. Under no circumstances, shall the Parties be treated as the vendor, employee, contractor, representative and agent of the other.
7. Any information or documentation received by the Partner during the term of this MOU shall be deemed as 'Confidential Information' under this MOU. The Confidential Information includes, but is not limited to, any information, course material, plans, discussions, strategies or any material provided by Hexaware or its Partners to the College, and Hexaware's technology including discoveries, inventions, research and development efforts, manufacturing processes, hardware/ software (regardless of media) design and maintenance tools and hardware/software product know-how, which may be disclosed by Hexaware to the College during the pendency of this MOU. Confidential Information shall also include any information marked "Confidential" or "Proprietary" but does not include any information already in the public domain or such information which was obtained from a third party. Both the parties shall not disclose, reproduce or use any Confidential Information for any purpose except solely in connection with the performance of this MOU. Upon expiration or termination of this MOU, Partner shall cease using all such Confidential Information and it shall either destroy or return all copies of such Confidential Information, in whatever form. Both

the Parties and any of its personnel/ students/ faculty shall not disclose the Confidential Information during the term of this MOU and for a period of 1 year after.

The Parties shall not make unauthorized use of the trade name, trademark, copyright, patent, symbol, licenses, or designation belonging to the other party without prior approval and permission. In the event, the College or any of its personnel/ students/ faculty breach its confidentiality obligations or infringe the intellectual property of Hexaware, Hexaware shall have the right to pursue appropriate remedies available at law and shall be entitled to equitable relief. In addition, the College shall indemnify, defend and hold harmless Hexaware, from and against all claims and all losses, liabilities, obligations, damages, expenses and costs (including without limitation reasonable legal fees) brought against or suffered by the other or any of its respective officers, directors, employees or agents, resulting from, arising out of or relating to breach of confidentiality obligations, applicable laws and regulations and infringement of intellectual property.

- 8. Hexaware shall also provide requisite publicity material such as handouts, information brochures and posters, if applicable to the College. Upon expiration, termination of this MOU or when requested by Hexaware, the College shall cease using all such material and documents and it shall immediately return all copies of the documents, in whatever form to Hexaware.**
- 9. Neither of the parties shall not use the name of the party in any advertisement nor make any public announcement without the prior written approval of the other party.**
- 10. Hexaware may have similar collaborations with other institutions and this Agreement is not exclusive.**
- 11. The College may have similar collaborations with other Companies so long as Hexaware's interests are not compromised, confidentiality of the knowhow and processes are maintained, the pre-selected students alone are put through Hexaware's training curriculum and made available exclusively to Hexaware for its recruitment process.**
- 12. The college shall take all necessary steps to safeguard the interest of Hexaware by avoiding any conflict of interest with other competing companies. Prior approvals need to be taken from Hexaware for any event involving the pre-selected students or the Hexaware CoE.**
- 13. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or any claim. However, the terms and the conditions in this MOU shall be kept confidential.**
