Information is an essential input to national development. The modern library has great responsibility in harnessing and utilization of information. The library and information centres solve for high quality of library services which emphasize the actual delivery of information rather than actual delivery of documents for meeting their general as well as specific needs of the users.

ANNAMACHARYA Institute of Technology established in the year 2005 encourages every student to use the library that has been carefully built up since the inception of the college. At present, the library has a carpet area of 1200 Sq.M. The reading space is 400 Sq.M which can seat over 200 students. The institute has a library which is spacious and substantial enough to accommodate more than 8200 titles, 3197 volumes More than 100 National and 43 International Journals.

Digital library with 30 systems to access E-journals, E-books, E-learning, Multimedia Center and photocopying and Scanning facility made available for the convenience of the users. NUST E resources (Through PFI/INET), NPTEL, NPTEL (National Programme on Technology Enhanced Learning) to access video lectures and membership of DELNET (Inter library loan) for resource sharing.

The Library is automated. It uses NewGenLib an integrated multi-user library management system with modules on acquisition, cataloguing, circulation, serials, and Web OPAC, for all in house operations.

The library has also been Information Centre providing information and intellectual requirements to its students and faculty with user-friendly approach. It offers a fully integrated and dynamic environment for conducting academic study. Multiple copies ensure that resources are easily available in Reference Section and Stack Section as well.
