Pongal Celebrations:

AITH has celebrated Pongal on 07/01/2023 at the college Premises. Makar Sankranti also referred to as Uttarayana, Makar, or simply Sankranti, is a Hindu observance and a festival. Usually falling on the date of January 15 annually, this occasion marks the transition of the Sun from the zodiac of Sagittarius (dhanu) to Capricorn (makara). Since the Sun is has made this transition which vaguely coincides with its to moving from south to north, the festival is dedicated to the solar deity, Surya, and is observed to mark a new beginning. Many native multi-day festivals are organised on this occasion all over India.

On 07/01/2023, around 10.30AM all are assembled at the seminar hall for celebrating Pongal. During this event, Principal, HODs, Staff and Students are participated. At the event Principal Sir has addressed the gathering after the prayer song sung by the students. Sir has explained about the Sankranthi Festival and why it is celebrated through-out the India. HODs, Faculty and some students are also spoken about this Pongal. Finally a Rangoli competiton is held for faculty and students as well. This event is useful for the students to know about the Indian Festive Culture.

Ramazan Celebrations:

AITH has celebrated Ramazan on 02/05/2023 at the seminar hall. Ramadan also spelled Ramazan, Ramzan, Ramadhan or Ramathan) is the ninth month of the Islamic calendar,[9] observed by Muslims worldwide as a month of fasting (sawm), prayer, reflection and community. A commemoration of Muhammad's first revelation, the annual observance of Ramadan is regarded as one of the Five Pillars of Islam and lasts twenty-nine to thirty days, from one sighting of the crescent moon to the next.

Fasting from dawn to sunset is fard (obligatory) for all adult Muslims who are not acutely or chronically ill, travelling, elderly, breastfeeding, diabetic, or menstruating. The predawn meal is referred to as suhur, and the nightly feast that breaks the fast is called iftar. Although fatwas have been issued declaring that Muslims who live in regions with a midnight sun or polar night should follow the timetable of Mecca,[18] it is common practice to follow the timetable of the closest country in which night can be distinguished from day.

At AITH Ramazan is celebrated at the seminar hall, for this all are gathered at the seminar hall around 11.15AM. During this celebration Principal, HODs, Staff and some of the students from other religions are also spoken about the Ramadan Festival, how it is celebrated and why it is celebrated throughout the world. One of the faculty members has explained about the Mohammed, his birth place, his life and the revelations of him to the mankind. Also Tofas are distributed to Muslim Students and Faculty after the Celebration.

Christmas Celebrations:

AITH has celebrated Christmas on 24/12/2022 at the seminar hall. Christmas is an annual festival commemorating the birth of Jesus Christ, observed primarily on December 25 as a religious and cultural celebration among billions of people around the world. Christmas Day is a public holiday in many countries, is celebrated religiously by a majority of Christians, as well as culturally by many non-Christians, and forms an integral part of the holiday season organized around it. The traditional Christmas narrative recounted in the New Testament, known as the Nativity of Jesus, says that Jesus was born in Bethlehem, in accordance with messianic prophecies. When Joseph and Mary arrived in the city, the inn had no room and so they were offered a stable where the Christ Child was soon born, with angels proclaiming this news to shepherds who then spread the word.

At our campus, on 24/12/2022 all the members are gathered at the seminar hall and Principal, HODs, some of the Senior Faculty Members and even some students are spoken about the Christmas and why it is celebrated throughout the world. One of the HODs are addressed about the Jesus birth life and his sacrifices to the mankind. After having the discussions Principal and HODs have cut the cake and distributed all the students.

Holi Celebrations:

AITH has celebrated Holi on 17/03/2023 in the College Premises. Holi is an ancient Hindu tradition and also one of the most popular festivals in Hinduism. It celebrates the eternal and divine love of Radha Krishna. The day also signifies the triumph of good over evil, as it commemorates the victory of Lord Vishnu as Narasimha Narayana over Hiranyakashipu. It originated and is predominantly celebrated in the Indian subcontinent but has also spread to other regions of Asia and parts of the Western world through the Indian diaspora. The festival has traditionally been also observed by non-Hindus, such as by Jains. In Mughal India, Holi was celebrated with such exuberance that people of all castes could throw colour on the Emperor. According to one of the online scripts, "there are several paintings of Mughal emperors celebrating Holi. Grand celebrations of Holi were held at the Lal Qila, where the festival was also known as Eid-e-gulaabi or Aab-e-Pashi.

At our campus, on 17/03/2023 at 2:00 PM all the members are gathered at the seminar hall and Principal, HODs, some of the Senior Faculty Members and even some students are spoken about the Holi and why it is celebrated. One Senior faculty has well explained about Holi that Holi celebrations are also known as the Festival of Colours, the Festival of Spring, and the Festival of Love. Around 2:45 PM all are went outside of the Seminar hall and started applying colours one on each other.

Diwali Celebrations:

AITH has celebrated Diwali on 03/11/2022 at the college Premises. Diwali or Deepavali also known as the Festival of Lights, is a religious celebration in Indian religions. It is one of the most important festivals within Hinduism where it generally lasts five days (or six in some regions of India), and is celebrated during the Hindu lunisolar months of Ashwin (according to the amanta tradition) and Kartika (between mid-October and mid-November). It is a post-harvest festival celebrating the bounty following the arrival of the monsoon in the subcontinent. Diwali symbolizes the spiritual "victory of light over darkness, good over evil, and knowledge over ignorance". The festival is widely associated with Lakshmi, goddess of prosperity and Ganesha, god of wisdom and the remover of obstacles, with many other regional traditions connecting the holiday to Sita and Rama, Vishnu, Krishna, Durga, Shiva, Kali, Hanuman, Kubera, Yama, Yami, Dhanvantari, or Vishvakarman.

National Youth Day:

AITH has celebrated NATIONAL YOUTH DAY on 12/01/2023. National Youth Day (NYD) purpose of the day is to draw attention to a given set of cultural and legal issues surrounding youth.

The theme of National Youth Day 2023 is, "Transforming Food Systems: Youth Innovation for Human and Planetary Health", with the aim of highlighting that the success of such a global effort will not be achieved without the meaningful participation of young people. It has been acknowledged that there is a need for inclusive support mechanisms that ensure youth continue to amplify efforts collectively and individually to restore the planet and protect life, while integrating biodiversity in the transformation of food systems. It has become recognized by numerous stakeholders that simply producing a larger volume of healthier food more sustainably will not ensure human and planetary wellbeing. Other crucial challenges must also be addressed, such as the interlinkages embodied by the 2030 Agenda including poverty reduction; social inclusion; health care; biodiversity conservation; and climate change mitigation.

This event has started on the day around 10:55 am at the seminar hall. The Principal, HODs and other Teaching Staff are addressed the gathering regarding why Youth Day is celebrated nationally, what is its importance, what students must understand and what students must do are explained very clearly on their own views.

Blood Donation Camp:

AITH has Conducted Blood Donation Camp on 27/11/2022. Blood cannot be manufactured so blood donors are essential to obtain it. Remembering this fact and attracting attention and convincing people to donate their blood is not an easy task. That is why blood donation campaigns usually take effect, and for this, designs are necessary to announce their existence.

Among them, you may need these types of designs to communicate various aspects of Blood Donations:

- Why donating blood is important (along with instructions and tips)
- Donate blood. Announcement to encourage people to donate (with a call to action)
- Event. Information on the place, date and conditions of the donation campaign.
- Thanks for donating. Message that you can share in networks to thank all donors and volunteers for their help.
- Emergencies Sometimes the blood becomes urgent. If so, communicate it directly and effectively.

This event has started on the day around 01:30 p.m at the seminar hall. The Principal, HODs and other Teaching Staff are addressed the gathering regarding why and what is the importance of Blood Donation.

AITH has celebrated Pongal on 12/01/2022 at the college Premises. Makar Sankranti also referred to as Uttarayana, Makar, or simply Sankranti, is a Hindu observance and a festival. Usually falling on the date of January 15 annually, this occasion marks the transition of the Sun from the zodiac of Sagittarius (dhanu) to Capricorn (makara). Since the Sun is has made this transition which vaguely coincides with its to moving from south to north, the festival is dedicated to the solar deity, Surya, and is observed to mark a new beginning. Many native multi-day festivals are organised on this occasion all over India.

On 12/01/2022, around 10.30AM all are assembled at the seminar hall for celebrating pongal. During this event, Principal, Hods, Staff and Students are participated. At the event Principal Sir has addressed the gathering after the prayer song sung by the students. Sir has explained about the Sankranthi Festival and why it is celebrated through-out the India. Ramazan Celebrations:

AITH has celebrated Ramazan on 10/05/2022 at the seminar hall. Ramadan also spelled Ramazan, Ramzan, Ramadhan or Ramathan) is the ninth month of the Islamic calendar,[9] observed by Muslims worldwide as a month of fasting (sawm), prayer, reflection and community. A commemoration of Muhammad's first revelation, the annual observance of Ramadan is regarded as one of the Five Pillars of Islam and lasts twenty-nine to thirty days, from one sighting of the crescent moon to the next.

Fasting from dawn to sunset is fard (obligatory) for all adult Muslims who are not acutely or chronically ill, travelling, elderly, breastfeeding, diabetic, or menstruating. The predawn meal is referred to as suhur, and the nightly feast that breaks the fast is called iftar. Although fatwas have been issued declaring that Muslims who live in regions with a midnight sun or polar night should follow the timetable of Mecca,[18] it is common practice to follow the timetable of the closest country in which night can be distinguished from day.

At AITH Ramazan is celebrated at the seminar hall, for this all are gathered at the seminar hall around 11.15AM. During this celebration Principal, HODs, Staff and some of the students from other religions are also spoken about the Ramadan Festival, how it is celebrated and why it is celebrated throughout the world. One of the faculty members has explained about the Mohammed, his birth place, his life and the revelations of him to the mankind. Also Tofas are distributed to Muslim Students and Faculty after the Celebration.

Christmas Celebrations:

AITH has celebrated Christmas on 24/12/2021 at the seminar hall. Christmas is an annual festival commemorating the birth of Jesus Christ, observed primarily on December 25 as a religious and cultural celebration among billions of people around the world. Christmas Day is a public holiday in many countries, is celebrated religiously by a majority of Christians, as well as culturally by many non-Christians, and forms an integral part of the holiday season organized around it. The traditional Christmas narrative recounted in the New Testament, known as the Nativity of Jesus, says that Jesus was born in Bethlehem, in accordance with messianic prophecies. When Joseph and Mary arrived in the city, the inn had no room and so they were offered a stable where the Christ Child was soon born, with angels proclaiming this news to shepherds who then spread the word.

At our campus, on 24/12/2021 all the members are gathered at the seminar hall and Principal, HODs, some of the Senior Faculty Members and even some students are spoken about the Christmas and why it is celebrated throughout the world. One of the HODs are addressed about the Jesus birth life and his sacrifices to the mankind. After having the discussions Principal and HODs have cut the cake and distributed all the students.

Holi Celebrations:

AITH has celebrated Holi on 27/03/2022 in the College Premises. Holi is an ancient Hindu tradition and also one of the most popular festivals in Hinduism. It celebrates the eternal and divine love of Radha Krishna. It originated and is predominantly celebrated in the Indian subcontinent but has also spread to other regions of Asia and parts of the Western world through the Indian diaspora. The festival has traditionally been also observed by non-Hindus, such as by Jains. In Mughal India, Holi was celebrated with such exuberance that people of all castes could throw colour on the Emperor. According to one of the online scripts, "there are several paintings of Mughal emperors celebrating Holi. Grand celebrations of Holi were held at the Lal Qila, where the festival was also known as Eid-e-gulaabi or Aab-e-Pashi.

National Youth Day:

AITH has celebrated NATIONAL YOUTH DAY on 12/01/2022. National Youth Day (NYD) purpose of the day is to draw attention to a given set of cultural and legal issues surrounding youth.

The theme of National Youth Day 2022 is, "Transforming Food Systems: Youth Innovation for Human and Planetary Health", with the aim of highlighting that the success of such a global effort will not be achieved without the meaningful participation of young people. It has been acknowledged that there is a need for inclusive support mechanisms that ensure youth continue to amplify efforts collectively and individually to restore the planet and protect life, while integrating biodiversity in the transformation of food systems. It has become recognized by numerous stakeholders that simply producing a larger volume of healthier food more sustainably will not ensure human and planetary wellbeing. Other crucial challenges must also be addressed, such as the interlinkages embodied by the 2030 Agenda including poverty reduction; social inclusion; health care; biodiversity conservation; and climate change mitigation.

This event has started on the day around 10:55 am at the seminar hall. The Principal, HODs and other Teaching Staff are addressed the gathering regarding why Youth Day is celebrated nationally, what is its importance, what students must understand and what students must do are explained very clearly on their own views.

Blood Donation Camp:

AITH has Conducted Blood Donation Camp on 24/11/2021. Blood cannot be manufactured so blood donors are essential to obtain it. Remembering this fact and attracting attention and convincing people to donate their blood is not an easy task. That is why blood donation campaigns usually take effect, and for this, designs are necessary to announce their existence.

Among them, you may need these types of designs to communicate various aspects of Blood Donations:

- Why donating blood is important (along with instructions and tips)
- Donate blood. Announcement to encourage people to donate (with a call to action)
- Event. Information on the place, date and conditions of the donation campaign.
- Thanks for donating. Message that you can share in networks to thank all donors and volunteers for their help.
- Emergencies Sometimes the blood becomes urgent. If so, communicate it directly and effectively.

This event has started on the day around 01:30 p.m. at the seminar hall. The Principal, HODs and other Teaching Staff are addressed the gathering regarding why and what is the importance of Blood Donation.

Pongal Celebrations:

AITH has celebrated Pongal on 11/01/2021 at the college Premises. Makar Sankranti also referred to as Uttarayana, Makar, or simply Sankranti, is a Hindu observance and a festival. Usually falling on the date of January 15 annually, this occasion marks the transition of the Sun from the zodiac of Sagittarius (dhanu) to Capricorn (makara). Since the Sun is has made this transition which vaguely coincides with its to moving from south to north, the festival is dedicated to the solar deity, Surya, and is observed to mark a new beginning. Many native multi-day festivals are organised on this occasion all over India.

On 11/01/2021, around 10.30AM all are assembled at the seminar hall for celebrating pongal. During this event, Principal, Hods, Staff and Students are participated. At the event Principal Sir has addressed the gathering after the prayer song sung by the students. Sir has explained about the Sankranthi Festival and why it is celebrated through-out the India. HODs, Faculty and some students are also spoken about this Pongal. Finally a Rangoli competiton is held for faculty and students as well. This event is useful for the students to know about the Indian Festive Culture.

Christmas Celebrations:

AITH has celebrated Christmas on 24/12/2020 at the seminar hall. Christmas is an annual festival commemorating the birth of Jesus Christ, observed primarily on December 25 as a religious and cultural celebration among billions of people around the world. Christmas Day is a public holiday in many countries, is celebrated religiously by a majority of Christians, as well as culturally by many non-Christians, and forms an integral part of the holiday season organized around it. The traditional Christmas narrative recounted in the New Testament, known as the Nativity of Jesus, says that Jesus was born in Bethlehem, in accordance with messianic prophecies. When Joseph and Mary arrived in the city, the inn had no room and so they were offered a stable where the Christ Child was soon born, with angels proclaiming this news to shepherds who then spread the word.

At our campus, on 24/12/2020 all the members are gathered at the seminar hall and Principal, HODs, some of the Senior Faculty Members and even some students are spoken about the Christmas and why it is celebrated throughout the world. One of the HODs are addressed about the Jesus birth life and his sacrifices to the mankind. After having the discussions Principal and HODs have cut the cake and distributed all the students.

Holi Celebrations:

AITH has celebrated Holi on 07/03/2021 in the College Premises. Holi is an ancient Hindu tradition and also one of the most popular festivals in Hinduism. It celebrates the eternal and divine love of Radha Krishna. The day also signifies the triumph of good over evil, as it commemorates the victory of Lord Vishnu as Narasimha Narayana over Hiranyakashipu. It originated and is predominantly celebrated in the Indian subcontinent but has also spread to other regions of Asia and parts of the Western world through the Indian diaspora. The festival has traditionally been also observed by non-Hindus, such as by Jains. In Mughal India, Holi was celebrated with such exuberance that people of all castes could throw colour on the Emperor. According to one of the online scripts, "there are several paintings of Mughal emperors celebrating Holi. Grand celebrations of Holi were held at the Lal Qila, where the festival was also known as Eid-e-gulaabi or Aab-e-Pashi.

At our campus, on 07/03/2021 at 02:00 P.M all the members are gathered at the seminar hall and Principal, HODs, some of the Senior Faculty Members and even some students are spoken about the Holi and why it is celebrated. One Senior faculty has well explained about Holi that Holi celebrations are also known as the Festival of Colors, the Festival of Spring, and the Festival of Love. Around 2:45 PM all are went outside of the Seminar hall and started applying colors one on each other.

Pongal Celebrations:

AITH has celebrated Pongal on 11/01/2020 at the college Premises. Makar Sankranti also referred to as Uttarayana, Makar, or simply Sankranti, is a Hindu observance and a festival. Usually falling on the date of January 15 annually, this occasion marks the transition of the Sun from the zodiac of Sagittarius (dhanu) to Capricorn (makara). Since the Sun is has made this transition which vaguely coincides with its to moving from south to north, the festival is dedicated to the solar deity, Surya, and is observed to mark a new beginning. Many native multi-day festivals are organised on this occasion all over India.

On 11/01/2020, around 10.30AM all are assembled at the seminar hall for celebrating pongal. During this event, Principal, Hods, Staff and Students are participated. At the event Principal Sir has addressed the gathering after the prayer song sung by the students. Sir has explained about the Sankranthi Festival and why it is celebrated through-out the India. HODs, Faculty and some students are also spoken about this Pongal. Finally a Rangoli competiton is held for faculty and students as well. Christmas Celebrations:

AITH has celebrated Christmas on 24/12/2019 at the seminar hall. Christmas is an annual festival commemorating the birth of Jesus Christ, observed primarily on December 25 as a religious and cultural celebration among billions of people around the world. Christmas Day is a public holiday in many countries, is celebrated religiously by a majority of Christians, as well as culturally by many non-Christians, and forms an integral part of the holiday season organized around it. The traditional Christmas narrative recounted in the New Testament, known as the Nativity of Jesus, says that Jesus was born in Bethlehem, in accordance with messianic prophecies. When Joseph and Mary arrived in the city, the inn had no room and so they were offered a stable where the Christ Child was soon born, with angels proclaiming this news to shepherds who then spread the word.

At our campus, on 24/12/2019 all the members are gathered at the seminar hall and Principal, HODs, some of the Senior Faculty Members and even some students are spoken about the Christmas and why it is celebrated throughout the world. One of the HODs are addressed about the Jesus birth life and his sacrifices to the mankind. After having the discussions Principal and HODs have cut the cake and distributed all the students.

Holi Celebrations:

AITH has celebrated Holi on 20/03/2020 in the College Premises. Holi is an ancient Hindu tradition and also one of the most popular festivals in Hinduism. It celebrates the eternal and divine love of Radha Krishna. The day also signifies the triumph of good over evil, as it commemorates the victory of Lord Vishnu as Narasimha Narayana over Hiranyakashipu. It originated and is predominantly celebrated in the Indian subcontinent but has also spread to other regions of Asia and parts of the Western world through the Indian diaspora. The festival has traditionally been also observed by non-Hindus, such as by Jains. In Mughal India, Holi was celebrated with such exuberance that people of all castes could throw colour on the Emperor. According to one of the online scripts, "there are several paintings of Mughal emperors celebrating Holi. Grand celebrations of Holi were held at the Lal Qila, where the festival was also known as Eid-e-gulaabi or Aab-e-Pashi.

At our campus, on 20/03/2020 at 2:00 PM all the members are gathered at the seminar hall and Principal, HODs, some of the Senior Faculty Members and even some students are spoken about the Holi and why it is celebrated. One Senior faculty has well explained about Holi that Holi celebrations are also known as the Festival of Colours, the Festival of Spring, and the Festival of Love. Around 2:45 PM all are went outside of the Seminar hall and started applying colours one on each other.

International Women's Day (IWD) is a globally celebrated annually on March 8 as a focal point in the women's rights movement, bringing attention to issues such as gender equality, reproductive rights, and violence and abuse against women. Spurred on by the universal female suffrage movement that had begun in New Zealand, IWD originated from labor movements in North America and Europe during the early 20th century.

This event has started around 10:30 AM at the Seminar Hall. The Principal, HODs, Teaching Staff and some of the women students are addressed the gathering regarding IWD. During this event how this Women's Day is started and what is its importance are explained elaboratively to the students.
